

Trip To SAUDI ARABIA

Experience the modern
& traditional lifestyle

حِيَّا كُم
Hayyakum

Winter
2016

Introduction

Hayakum is a program that started to build bridges between our university and universities around the world by engaging in cultural exchange activities and tours. We plan to create a diversified schedule with an opening ceremony as well as a tour in our campus to experience the daily academic life of Saudi students. In addition, tours around highlighted cultural attractions of Riyadh city will be held. Above all, we aim to give the visiting students an in-depth exploration of Saudi's culture and modern society making this unique journey memorable a memorable one.

Objective

- Engage in cross-cultural activities to enrich understandings of one another's differences
- Learn about the historical Saudi Arabia in comparison to the modern side of the country
- Build continued friendships with people from around the globe
- Explore the heart of the Saudi desert
- Deliver an exceptional memory in the hearts of our visiting friends about Saudi

Overview

In this document, we provide a general sample schedule of the activities planned and general information about the program.

Additional Details:

- * The project is applicable for 4 female students and 1 supervisor due to university policies and restrictions.

The Edge of the World

It is a rock-framed "window" with a wonderful view of the valley below. It is about 180 km North-East of Riyadh. Edge of the World is located up straight from the Acacia Valley. Experience watching the city of Riyadh.

Al Masmak

The Masmak is a clay and mud-brick fort, with four watchtowers and thick walls, founded on stone blocks, lying in the center of Riyadh, in the old quarters. This building played a major part in the kingdom's history.
