

ENHANCE Smart City Challenge

24 - 26 MAY 2024

You ask, we answer

Why?

Our goal is to connect students from different countries and backgrounds to work on innovative solutions for problems in our cities

Where?

Warsaw University of Technology, Poland

When?

23.05.2024 integration

24-26.05.2024 Hackathon

Who?

Students across the Europe with technical or business background, open to work in a group with communicative english (B2+)

What can you expect?

- integration with all participants
- thematic panels
- networking
- presentation of solutions

Outcomes

Winners get amazing rewards but everyone will acquire knowledge through working and panel. What's more, everyone will meet new people to broaden perspective about our world

Participation is free of charge. The ENHANCE Alliance will provide funds for your travel and accommodation. Contact the local ENHANCE coordinator at your university
