LOCATED IN THE HEART OF EUROPE, IN THE CAPITAL CITY OF POLAND, WUT is one of the oldest and the biggest public education institutions in the country, with traditions dating back to the 19th century.

At WUT you can not only gain the best education to prepare you for your future career, but also enjoy numerous student activities on, and around, the campus. All of this at an affordable cost for studying and living.

What else? Dormitories, sports centers, careers office, libraries, language courses, research groups and student associations. We've got it all!

Warsaw University of Technology

WUT

Study engineering in the heart of Europe

BUILD YOUR FUTURE WITH WUT
No. 1 technical university in Poland

ALMOST
200 → **years** OF TRADITION

30 ✕ **study programs in English**

2 148 ⩾ **academic staff**

OVER
35 000 ∑ **students**

Offer of studies in English

2 intakes per year: October and February
On-line application: **www.students.pw.edu.pl**

UNDERGRADUATE:
BACHELOR OF SCIENCE
(7/8 semesters)

- Architecture
- Automotive Mechatronics
- Electric and Hybrid Vehicles Engineering
- Civil Engineering
- Environmental Engineering
- Electrical Engineering
- Computer Systems and Networks
- Telecommunications
- Computer Science and Information Systems
- Photonic Engineering
- Aerospace Engineering
- Power Engineering

GRADUATE:
MASTER OF SCIENCE
(3/4 semesters)

- Architecture
- Applied Biotechnology
- Civil Engineering
- Environmental Engineering
- Electrical Engineering
- Computer Systems and Networks
- Telecommunications
- Artificial Intelligence
- Photonic Engineering
- Photonics
- Power Engineering
- Nuclear Power Engineering
- Aerospace Engineering
- Robotics
- Management and Production Engineering
- Transport Systems Engineering and Management
- Biomaterials
- Mobile Mapping and Navigation Systems

we are

A FORWARD-THINKING INSTITUTION where high-quality education meets world-class research and innovation. Focusing on technical subjects and engineering studies, we offer variety of programs in English language, available for international students.

Join us and enjoy your European student experience in the welcoming and comfortable city of Warsaw. Become an engineer at WUT!
