## OVERVIEW

It is once again our great pleasure to announce the commencement of “6th NUAA Summer Lecture Program”. NUAA’s commitment towards the internationalization of its higher education has yet again given us this opportunity to invite and welcome Professors, Associate Professors, Researchers and Lecturers from different regions and specialties to participate in this truly global academic event.

With over 250 academicians and 13,000 students taking part in the past few years, it is one of the significant events at NUAA, giving our students a platform for internationalization beyond mobility while providing visiting academicians an international teaching experience.

We are looking forward to your participation.
